6.	26-02-2020	Oforikrom-Asokwa Stretch
7.	28 & 29-02-2020	Tech. Junction to Anloga Junction
8.	08-03-2020	Appiadu, Boadi and Emena

5.0 TARGET POPULATION

All residents of selected areas

6.0 ACTIVITIES CARRIED OUT

- i. Sweeping of streets, Markets, Backyards, lorry Terminals, Public Open Spaces
- ii. Removal of silt from choked drains
- iii. Clearing of overgrowth of weeds
- iv. Conveyance and disposal of solid waste to final disposal site
- v. Collection and burning of wind-blown polythene materials.

7.0 CONCLUSION

As a whole the response by residents to the exercises was quite satisfactory but there is the need for community members to really understand the benefits they stand to gain from such exercises. We need therefore to intensify our sensitization of such very crucial programmes.
